

The ICC International Court of Arbitration is organizing its [2nd ICC European conference on International Arbitration](#) (#ICCEuro) in **Paris on 9 April 2018** and thought it would be of interest to your members.

Taking place at the Châteaufort George V in Paris, this annual conference is a "must attend" for arbitration professionals who want to keep up to date on the latest institutional developments and the evolution of arbitration in Europe. The conference is also the launch event of the first Paris Arbitration Week (#PAW2018) which will take place from 9-13 April.

Topics of the conference will include:

- Crouching tiger, not-so-hidden dragon: the advent of the Belt and Road
- How do you solve a problem like the B word?
- The case of investor-state disputes reform
- Tomorrowland: AI, smart contracts, Blockchain and the end of arbitration as we know it?

As corporate counsel, your members may benefit from a 30% discount by using the following discount code: **AIG-1135** when they register on [our website](#). We would be grateful if you could circulate the code at your earliest convenience.
