Dear President,

As an ECLA member, you are personally invited to our prestigious and participative events at the occasion of our ECLA General Assembly to be held in Paris. Please come with your delegation and register now to our most promising and festive program that I have had the pleasure to organize for you all. Our program promises to be prestigious and entertaining with a talent show open to each of you. So it is time to confirm ASAP your attendance to Han Kooy in order to enable us to organize the event for you.
