Dear Sir/Madam,

The National Union of Jurisconsults in Bulgaria in relation to the European Day of Civil Justice on 25 October 2012 has the pleasure of inviting you to take part in the thematic conference:

Contemporary trends in the professional work of jurists in EU working in official and labour relations

The conference will address questions and search for solutions connected with the need for the regulation through national legislation and the need for harmonisation at EU level of the rules governing the legal profession as it is exercised by jurists employed as officials in the state administration, or those exercising their profession on the basis of a labour contract.

We have invited to the conference representatives of the European Commission and the European Parliament, engaged in the area of the theme of conference, representatives of the EU Court in Luxembourg, the International Labour Organisation (ILO) and representatives of the national associations of jurists in Europe.

The conference will take place on the 19th October, 2012, in Sofia, Bulgaria.

Appendix: Conference agenda and attendance form

Yours sincerely:

Ms Maria Strandzhanska
Chief Secretary of the National
