Interactive International Scientific Conference

»SIMPLIFICATION OF DEBT COLLECTION IN THE EU«

Friday, 15 June 2012

**University of Maribor
Faculty of Law Maribor**

The Institute for Civil, Comparative and International Private Law of the University of Maribor has organized this interactive conference to discuss the results of the Project **on simplified judicial procedures for debt collection in the EU**. The conference includes short presentations and offers opportunities for discussion among those attending. Lawyers, businesspeople and interested persons from the general public will learn from distinguished faculty and practitioners about recent changes in procedure designed to streamline debt collection procedures in EU countries and the actual practice in the courts applying those procedures, with special attention to the practical issues affecting the choice among various national and EU procedural alternatives.
