Biography

Dennis Driscoll

Dennis Driscoll is an international lawyer. He is the former Dean of the Law School at the National University of Ireland (Galway). At Galway, he was the Chairman of an annual workshop, designed for in-house legal counsel,

on the legal problems of multinational companies. He has also been a Visiting Professor at Harvard University and Peking University Law School. For the past decade, he has given training programmes on CSR/Corporate Governance to more than 500 companies in Europe and in Emerging Markets, especially in China. He is the author of the forthcoming study International and Comparative Corporate Governance..

Course Level

Corporate Governance, especially in the context of financial institutions, is currently the single most debated problem in commercial affairs, as witnessed by the virtual daily discussion of the problem in the financial press. This training programme deals with the range of corporate governance issues that have so occupied financial
